Introduction

- 1.1 The purpose of this policy is to provide an open and transparent framework that enables Northern Education Trust as the employer; the Governors and senior staff to manage pay issues within the Academy and to ensure that staff are paid on a fair and equitable basis. This document also ensures consistency of treatment in dealing with the administration of pay matters including pay appeals.
- 1.2 The Pay Policy will be reviewed by the Trust on an annual basis. The Trust will consult with employee representatives via the NET national JCC and the final policy will be adopted by the Trust Board and by NET Academies. Governors may wish to make minor changes to the policy based on local circumstances. These changes should be limited to language, committee names, post titles etc.
- 1.3 The Trust and the Governing Body recognise the importance of determining a pay policy and administering pay in a way which enables the Academy to attract, motivate and retain the most suitable staff to ensure the provision of education for students is of the highest quality.
- 1.4 In determining this policy the Governing Body has taken into account all relevant legislation and codes of good practice. This pay policy should be read in conjunction with the Academy's appraisal policy, which outlines the procedures and the criteria for determining pay progression on the grounds of performance for all teachers.
- 1.5 Please note for the purpose of this policy in referring to the Principal this is either the Principal or the nominated individual dependant on the scheme of delegation in the Academy.

2. Scope of Policy

- 2.1 The policy applies to all staff who have contracts of employment with Northern Education Trust and are managed by the Governing Body of xxxxxxxx Academy.

3. Aims of Policy

- 3.1 To maintain and improve the quality of education provided in the Academy by having a pay policy that supports the Academy's stated aims and improvement plan.
- 3.2 To maximise the quality of teaching and learning in the Academy.
- 3.3 To identify the principles by which the salary decisions for all staff will be made to enable the Academy to recognise and reward teachers appropriately for their contribution to the Academy and their individual performance and skills.
- 3.4 To operate pay arrangements in accordance with Equal Pay legislation.
- 3.5 To show clearly the Academy staffing structure and the graded value of each post within it.
- 3.6 To clearly identify the proposed timetable for annual salary reviews and consideration of whether staff have met the performance criteria to progress on the pay spine.
- 3.7 To demonstrate to all staff that the Governing Body is managing its policy on pay in a fair, consistent and transparent way.

- 3.8 To ensure that job descriptions and person specifications are available for all posts and that job descriptions are formally updated and agreed with existing staff on a yearly basis as part of the annual performance appraisal.
- 3.9 To ensure the staffing structure provides realistic career development opportunities for staff where possible.
- 3.10 To provide a means of recruiting and retaining high quality staff in accordance with the Academy's needs, taking into account appropriate equal opportunity policies and employment legislation and the appropriate guidance on safer recruitment practice.
- 3.11 To respond to recruitment and retention problems where they exist.

4. Responsibility

- 4.1 In applying this policy the Trust and the Governing Body will have due regard to the following:
- The School Teachers' Pay and Conditions Document and Guidance currently in force (the Trust has committed to continuing to use the STP&CD and this is incorporated into contracts of employment).
 - The Education (School Teachers' Appraisal) (England) Regulations 2012 (the Appraisal Regulations).
 - Conditions of Service for School Teachers in England and Wales (Burgundy Book, August 2000).
 - The National Joint Council for Local Government Services National Agreement of Pay and Conditions of Service (Green Book).
 - Locally agreed conditions of service recognised by the Governing Body.
 - The contract of employment between the Trust and the employee.
 - The Governing Body will ensure the pay policy is followed, having taken advice from the Principal on all matters with the exception of his/her own salary. The Governing Body delegates authority to the Finance & Curriculum Committee to administer the Pay Policy on its behalf, including the determination of grades and salaries where appropriate. The Finance & Curriculum Committee should comprise of a minimum of three governors, not including staff governors.
- 4.2 The Finance & Curriculum Committee's remit is:
- To delegate pay decisions to the Principal where appropriate.
 - To apply fairly performance related pay progression criteria as identified within the Pay Policy.
 - To use the flexibility within the STP&CD in determining discretionary areas of pay to ensure the aims of this policy are achieved.
 - To determine salary at the time of the annual review for all staff.
 - To consider reviews at other times in the year to reflect any changes in circumstances or, job description that lead to a change in the basis for calculating an individual's pay.
 - To consider the recommendations of the Principal or delegated representative in relation to the pay of the Academy workforce.
 - To consider initial representations made by staff where there is a dispute regarding pay.
 - To ensure that statutory and contractual requirements are applied to all staff groups.

- To ensure that adequate records of decisions are kept.

4.3 Included in the remit of the Finance & Curriculum Committee would be:

- To review job descriptions regularly (this may be delegated to the Principal) and where responsibility or accountability is increased, to reconsider the grade in accordance with the appropriate guidelines.
- Decisions of the Finance & Curriculum Committee will be notified to the member of staff concerned in writing by the Principal. Teachers should receive an annual salary statement by 31 October each year. This will indicate their pay and the elements comprising their pay with effect from 1 September each year. Where salary is determined at any other time teachers should receive a pay statement within one month of the change.

5. Equality of Opportunity & Employment Legislation

5.1 The Governing Body supports equality of opportunity and will abide by all relevant legislation and codes of practice. In particular the Governing Body will not discriminate on the grounds of any protected characteristic, i.e. race, colour, nationality, ethnic or national origin, gender, sexual orientation, religious belief, marital status, disability, age, fixed term or part time working.

6. Job Descriptions & Person Specifications

6.1 Job descriptions will be provided for all members of staff by the Principal, on behalf of the Governing Body.

6.2 These will be reviewed as part of the appraisal process to check that they are still appropriate; and any suggested changes will be discussed with the Principal.

6.3 All job descriptions will be produced in standard format and will include the following: key areas of responsibility; duties of the post; grade; and where appropriate, the management and/or teaching and learning responsibilities of staff.

7. Recruitment & Selection

7.1 The Governing Body will operate within the Academy's agreed procedure for recruitment and selection, taking into account employment legislation and safer recruitment arrangements.

8. Appraisal

8.1 All members of the teaching staff are required to participate in the arrangements made for their appraisal, in accordance with their conditions of employment and The Education (School Teachers' Appraisal) (England) Regulations 2012 (the Appraisal Regulations) and the Academy's Appraisal Policy.

8.2 Under the appraisal arrangements the appraiser and appraisee will seek to agree the objectives, but where this is not possible; the appraiser will determine objectives against which the appraisee's performance will be assessed. The career stage expectations will be used as a tool for professional dialogue when setting objectives. The appraiser will make a recommendation on pay progression to the Principal. The Principal will quality assure the pay recommendations and then make a recommendation to the Finance & Curriculum Committee

about pay progression (this may not necessarily be the same recommendation as the appraiser). If this is not the same recommendation as the appraiser the Principal will meet with the member of staff and give reasons for the change. The Principal will allow the employee concerned the opportunity to discuss the matter before the recommendation is given to Governors. It will be possible for a 'no progression' determination to be made without recourse to the capability procedure. However, if this is the case, this should not come as a surprise to the employee as discussions should be ongoing as part of the appraisal process.

- 8.3 Support staff paid under NJC conditions are also subject to appraisal arrangements for professional development purposes only. For the avoidance of doubt, support staff increments are automatic and not linked to performance or the appraisal policy.

9. Pay Relativity

- 9.1 The Trust and the Governing Body will seek to ensure that there is pay relativity between posts within the Trust. Where possible, appropriate differentials will be created and maintained, following the appropriate guidelines and recognising accountability, job size and the need to recruit, retain and motivate sufficient employees of the required quality at all levels.

10. Records

- 10.1 Salary records will be confidential to the individual concerned, the Principal, the appraiser for appraisal purposes, the Finance & Curriculum Committee and the Academy HR function.

11. Support Staff

- 11.1 The Governing Body will comply with the National Joint Council for Local Government Services National Agreement of Pay and Conditions of Service (Green Book); and any local agreements recognised by the Governing Body on employees' conditions of service. The Governing Body has discretion to award additional benefits as deemed appropriate to staff with specialist skills and expertise.

12. Teaching Staff – General

- 12.1 The Governing Body will follow the requirements of the current School Teachers Pay and Conditions Document in implementing the pay policy for teaching staff to ensure staff are treated fairly, equitably and consistently.
- 12.2 Staff will be given a formal statement informing them of their salary with effect from 1 September and an explanation of how it has been arrived at. Notification will be issued to all staff other than the Principal no later than 31 October.
- 12.3 The salaries of all teachers, including those paid on the leadership spine will be reviewed no later than 31 October following their appraisal, with any resulting increase being paid with effect from the preceding 1 September. The salary of the Principal will be reviewed by the Trust no later than 31 December of each year. Any resulting increase will be paid with effect from the preceding 1 September.
- 12.4 In the case of staff who are absent on maternity leave or long term sick leave, arrangements will be made for an appraisal review and subsequent salary review to take place as soon as possible and no later than three months after their return to work. Any such authorised

absence will be taken into account when reviewing performance related pay progression and overall performance during the period in question will be considered. Any adjustments will be made on a case by case basis taking into account the employee's individual performance and the circumstances of the Academy. Authorised absence will count as qualifying service for pay progression purposes. Account will also be taken of the impact of any condition on the teacher's performance during the time they were present at work.

13. Leadership Pay

13.1 Principal - For New Appointments

13.1.1 The Chief Executive will agree the salary level with the Governing Body prior to the commencement of the recruitment process for any new Principal; taking into account the performance and size of the Academy, responsibilities of the post and any potential difficulties in filling the post, with consideration to parity and equality. The salary for a new Principal will be a spot salary with a 10% performance bonus based on achieving hard targets.

13.2 Principal - already in post

13.2.1 With effect from 1st September, the Chief Executive on behalf of the Trust is required to review the performance of the Principal against previously set targets and determine whether performance pay progression should be awarded. The process for this is a transparent one and is outlined in the appraisal policy. This involves the Director of primary and secondary academies as appropriate, the academy achievement partner and the Chair of the local Governing Body. The Chief Executive will take responsibility for the final recommendations to the Trust Board.

13.2.2 Where an award is made, this will be paid with effect from 1 September, backdated as appropriate.

13.3 Vice Principal and other leadership posts – pay on appointment

13.3.1 The appointment of a Vice Principal is a Trust appointment and the Trust will have considerable input into the recruitment process and the determination of the 5 point salary range in accordance with the STP&CD.

13.3.2 For other leadership posts the Governing Body will make the appointment and determine the 5 point salary range. The Governing Body will record the reasons for the determination of the pay range and can exercise their discretion to pay on any of the bottom 3 points of the range in accordance with the STP&CD (Para 12.3).

13.4 Vice Principal and other leadership posts – already in post

13.4.1 With effect from 1st September the Governing Body is required to review the performance of the leadership posts against previously set targets and determine whether performance pay progression should be awarded.

13.4.2 Where an award is made, this will be paid with effect from 1 September, backdated as appropriate. Any such decision will be minuted and the employee notified in writing of the reasons for the decision.

- 13.4.3 The Finance & Curriculum Committee will review pay in accordance with paragraphs 12.1 or 12.2 and award up to two points where there has been sustained high quality of performance having regard to the results of the recent appraisal, and to any recommendation on pay progression recorded in the most recent appraisal report;
- 13.4.5 The Finance & Curriculum Committee will review and, if necessary, re-determine the leadership pay range where there has been a significant change in responsibilities (paragraph 29 of section 3 guidance);
- 13.4.6 The Finance & Curriculum Committee will minute pay progression decisions and ensure a clear audit trail exists for awarding discretionary allowances.

13.5 Pay Ranges

- 13.5.1 Leadership pay ranges may be adjusted by the Finance & Curriculum Committee where there is a significant change in responsibility for a specific post or because a change is required to ensure leadership team pay maintains an appropriate differential to teachers pay.

13.6 Acting/Interim Allowances

- 13.6.1 Acting allowances may be paid to teachers who are assigned and carrying out the duties of those paid on the leadership spine. The Finance & Curriculum Committee will, within a four week period of the commencement of acting duties, determine whether or not the acting post holder will be paid an allowance. In the event of a planned and prolonged absence, if appropriate an acting allowance will be agreed in advance and paid from the first day of absence.
- 13.6.2 If the Finance & Curriculum Committee determines that an allowance will be paid, any teacher who carries out the duties of those paid on the leadership spine will be paid at an appropriate point of the leadership range from the first day on which they began to undertake those duties.

14. Classroom Teachers

14.1 On appointment

- 14.1.1 The Governing Body will advertise and determine the starting salary of a vacant classroom teacher post having regard to:
- the requirements of the post;
 - any specialist knowledge required for the post
 - the experience and skills required to undertake the specific duties of the post
 - market conditions
 - the wider Academy context.

Normally, it is anticipated that the previous salary of the teacher will be honoured for recruitment purposes. If, on occasion, the previous salary is not honoured, the salary and progress of the teacher will be monitored and reviewed through the appraisal process and if there is clear evidence that the teacher is performing at a higher level

pay progression may be awarded as commensurate with the skills and experience of the teacher. Advice should be taken from the Trust HR Department to ensure there are no potential equal pay issues. The Trust, as the employer, will monitor salary decisions and take the necessary remedial action should there potentially be any equal pay implications. All new appointments will receive a written offer which clearly defines their starting salary.

Please also see the guidance at appendix 1 which identifies the discretionary criteria that can be used for determining the starting salary of a newly appointed teacher.

14.2 Pay Progression for existing teachers effective from 1 September 2013

14.2.1 The usual provisions of the STP&CD 2012, the Academy Pay Policy 2012 and the Academy Appraisal Policy 2012 will apply to pay progression from 1st September 2013. Once salary determinations for the September 2013 pay award have been made, paragraphs 14 – 21 of the STP&CD 2013 come into effect; and section 15 of this policy.

14.3 Performance Related Pay Progression for teachers effective from 1 September 2014

14.3.1 All qualified teachers, other than Lead Practitioners, and Post Threshold Teachers will be paid in accordance with paragraphs 14 and 15 of the Document (pay scale for classroom teachers).

The main pay scale for the Trust will consist of 6 incremental points set out below based on current national pay scales:

Point 1	£21,804
Point 2	£23,528
Point 3	£25,420
Point 4	£27,376
Point 5	£29,533
Point 6	£31,868

14.3.2 To be awarded performance pay progression teachers will need to have made at least good progress towards their appraisal objectives and have shown they meet the relevant teachers standards. Teachers in their induction year will be awarded pay progression on the 1st September following successful completion of their induction.

14.3.3 Judgment's will be properly rooted in evidence. The Finance & Curriculum Committee will be advised by the Principal in making all such decisions. Any increase (no movement, one point, more than one point) will be clearly attributable to the performance of the teacher in question as evidenced by the appraisal process. As a teacher progresses up the pay spine, this evidence should show:

- an increasing positive impact on pupil progress
- an increasing positive impact on wider outcomes for pupils
- improvements in specific elements of practice identified to the teacher, e.g. behavior management or lesson planning
- an increasing contribution to the work of the Academy

- an increasing impact on the effectiveness of staff and colleagues

14.3.4 In general, teachers will progress one point at a time on the pay spine if the criteria for pay progression is met. However, for those teachers demonstrating exceptional performance and evidence of sustained contribution at a higher level of the career stage expectations, pay may be accelerated more than one point at a time and across pay bands.

Further information, including sources of evidence is included in the Academy Appraisal Policy.

15. Threshold & Post Threshold Teachers

15.1 Round 13 Threshold Applications

If a teacher reached M6 on 1 September 2012 and applies before 31st October 2013, under Round 13, their applications will be assessed using the 2012 STP&CD, i.e. against the teachers standards and post threshold standards, having regard to the most recent appraisal reviews.

15.2 The Upper Pay Range

15.2.1 All Post Threshold Teachers will be paid in accordance with the Document. The pay scale for the Trust will consist of 3 incremental points (1 band) set out below based on current national pay scales:

U1	£34,523
U2	£35,802
U3	£37,124

15.2.2 From 1st September 2013 any qualified teacher can apply to be paid on the Upper Pay Range. In reality applications will not be received from NQT's as 2 years successful appraisal evidence is still required. It is the responsibility of the teacher to decide if they wish to apply or not. If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the UPR in that school(s). This Academy will not be bound by any pay decision made by another school.

15.2.3 Teachers wishing to be considered for progression through the threshold should apply to the Principal in accordance with the provisions of the document and must be assessed in line with this policy. The model application is attached as appendix 3. The evidence to support the application should be clearly marked on the application form and attached as appendices if needed.

15.2.4 One application may be submitted annually. The closing date for applications is 30th September and if successful pay will be backdated to 1st September.

15.2.5 All applications should include the results of reviews under the Appraisal Regulations 2012, including any recommendations on pay. Where such information is not applicable or available, a written statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria must be submitted by the applicant. Teachers will need to provide all of the information requested in the teacher's section of

the form. Evidence of threshold assessment should cover the last 2 year period. Where a teacher is absent during the two year period because of maternity, adoption, paternity, pregnancy sickness or injury the period of evidence should be reduced to reflect the period of absence.

15.3 The Assessment

15.3.1 An application from a qualified teacher will be successful where the Governing Body is satisfied that:

- The teacher is highly competent in all elements of the relevant standards; and
- The teachers achievements and contribution to the Academy are substantial and sustained

15.3.2 For the purposes of this pay policy:

- **highly competent** means the teacher meets the career stage expectations of the teachers standards' for the upper pay spine as outlined in the appraisal policy
- **Substantial** means that the teachers achievements and contribution to the Academy are significant, by contributing, where appropriate, to the development and implementation of workplace policies and practice, working effectively as a team member, promoting collaboration, being able to give sound advice on the development and well-being of children and young people and demonstrating effective practice that contributes to the professional development of colleagues and in making a significant wider contribution to school improvement which impacts on pupil progress
- **Sustained** means the teacher must have made good progress towards their objectives and that their teaching expertise has grown over 2 years and is consistently good to outstanding.

15.3.3 Where it is clear from evidence that the teacher's performance is exceptional and where the teacher has met or exceeded their objectives, the committee may recommend an enhanced progression from the minimum UPR point to the maximum. Teaching should be consistently 'outstanding' as defined by Ofsted.

15.4 The Process

- Application forms, complete with the required evidence, must be completed by 30th September and handed to the Principal.
- The Principal will assess the application form and make a recommendation to the Finance & Curriculum Committee.
- The Finance & Curriculum Committee will make the final decision, advised by the Principal.
- Teachers will receive written notification of the outcome of their application within 10 working days of the committee making the decision. Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's performance did not satisfy the relevant criteria set out in this policy. The appraiser will be given copy of this letter to ensure the appropriate targets can be set for development purposes.
- Where the application is unsuccessful, the employee has a right of appeal (see para 25).

15.5 Pay determinations on the upper pay range effective from 1 September 2013

15.4.1 In accordance with paragraphs 19.5 and 19.6 of the STP&CD 2012 the Finance & Curriculum committee will determine that one point be awarded to a teacher on the upper pay spine whose achievements and contribution to the school, throughout the relevant period have been substantial and sustained (paragraphs 19.5.1 and paragraphs 57 to 59 of the section 3 guidance, the STP&CD 2012).

15.4.2 In reaching its decision, the committee shall have regard to the results of the teacher's two most recent appraisal reports, including any pay recommendation, when exercising its discretion in accordance with the provisions of the STP&CD.

15.5 Pay determinations effective from 1 September 2014

15.5.1 The Committee will determine whether there should be any movement up the UPR based on the appraisers recommendation and after taking advice from the Principal. (see also para 8.2) In making such a determination it shall take into account the provisions of the STP&CD; the appraisal process and appraisal reviews; evidence that the teacher continues to maintain and be highly competent at the relevant career stage expectations of the Teachers Standards and their contribution is substantial and sustained.

15.6 Former members of the leadership pay spine /AST's/ Excellent Teachers

15.6.1 The Finance & Curriculum Committee has discretion to pay former members of the leadership group or those previously employed as Advanced Skills or Excellent Teachers, who have stepped down from their posts on any point on the upper pay range.

16.0 Leading Practitioners

16.1 Existing AST's and ET's will be assimilated to the Leading Practitioner Pay Range at a pay point or individual pay range which maintains as a minimum their existing pay entitlements.

16.2 The Governing Body may create in this Academy a post or post(s) for Leading Practitioners where the primary purpose is to model and lead improvement of teaching skills. The committee will determine the pay spine for LP's and the 5 point pay range for individual postholders in accordance with the agreed pay spine and the STP&CD. When determining the pay spine, account will be taken of the challenge and demand of the individual post and internal pay relativities. Teachers paid as leading practitioners must be an exemplar of teaching skills and carry out the professional responsibilities of a teacher other than a Principal, including those responsibilities delegated by the Principal.

16.3 The pay range for Leading Practitioners in this academy is:

L1	37,836
L2	38,784

L3	39,752
L4	40,743
L5	41,757
L6	42,379
L7	43,957
L8	44,971
L9	46,094
L10	47,277
L11	48,505
L12	49,622
L13	50,863
L14	52,131
L15	53,429
L16	54,849
L17	56,109
L18	57,520

- 16.3 The Governing Body delegates to the Principal the agreement of Performance Objectives for Leading Practitioners. The Committee will consider the recommendations of the Principal and recommend movement up the pay spine where appropriate.
- 16.4 If good progress towards achieving performance objectives has been made and there has been sustained performance overall, the Committee may recommend an increase of one point in the course of a year within the relevant five point range. The practitioner must demonstrate excellence in teaching and contribute to leading the improvement of teaching skills and:
- have made good progress towards their objectives;
 - is an exemplar of teaching skills, which should impact significantly on pupil progress, within school and within the wider school community, if relevant;
 - has made a substantial impact on the effectiveness of staff and colleagues, including any specific elements of practice that have been highlighted as in need of improvement;
 - is highly competent in all aspects of the Teachers' Standards;
 - has shown strong leadership in developing, implementing and evaluating policies and practice in their workplace that contribute to school improvement.

Where it is clear from the evidence that the practitioners performance is exceptional and they have had a significant responsibility that has impacted across all key stages; they have led and managed a team of staff and have worked across other Academy's in the local area or within the Trust the Committee may award more than one point.

Where an award is made, this will be paid with effect from 1 September, backdated as appropriate.

- 16.5 Change to the five point range should be determined by the Committee where there has been significant change to the role and responsibilities of the serving Leading Practitioner.

17. Teaching & Learning Responsibility Payments (TLRs)

- 17.1 Teaching and Learning Responsibility Payments will only be awarded at the discretion of the Committee and can only be awarded to posts that meet the criteria identified in the document.

- 17.2 The award of TLRs will be in accordance with the staffing structure for the Academy.

- 17.3 TLR1 and TLR 2 will be awarded for clearly defined and sustained additional responsibility in the context of the Academy's staffing structure for the purpose of ensuring the continued delivery of high quality teaching and learning and in accordance with the criterion and factors set out in the document. In addition, before awarding a TLR1 the significant responsibility must include line management responsibility for a significant number of people.

- 17.4 The Governing Body will determine the levels and values of the TLR payments, attached to individual posts, as appropriate to the duties and responsibilities of those posts using the following framework:

TLR1		TLR2	
A	£7,397	A	£2,561
B	£9,102	B	£4,268
C	£10,809	C	£6,259
D	£12,517		

(Academy to enter correct value for their Academy if different to above)

These values are effective from 1st September 2013. The governing body undertakes to increase these values in future as required by the STP&CD or, where any discretion is permitted to governing bodies, at least by the level of any increases in the value of the Main and Upper Pay Scales.

17.5 TLR3 (Fixed Term)

- 17.5.1 The Committee will consider the payment of TLR3 in accordance with the criteria as set out in the document and will be awarded for a clear, time limited school improvement project or a one-off externally driven responsibility.

- 17.5.2 The Committee will consider the annual value of the TLR3 payment which will be:
- No less than £505 per annum
 - No more than £2,525 per annum

- 17.5.3 The Governors will set out in writing to the teacher the duration of the fixed term and the amount of the award which will be paid in monthly instalments.

The award of a TLR3 will be for a fixed period and therefore will not be subject to safeguarding on completion and the teacher will revert to his/her substantive role on completion. Although a teacher cannot hold a TLR1 and TLR2 concurrently, a teacher in receipt of either a TLR1 or TLR2 may also hold a concurrent TLR3.

17.5.4 The Principal shall inform all staff and academy trade union representatives about TLR3 opportunities and the payments attached to them. The information will be provided at the earliest possible time and in advance of the post being filled.

18.0 Unqualified Teachers

18.1 The Governing Body recognises that there are some specific posts where the appointment of an unqualified teacher may be appropriate, with no expectation that the unqualified teacher be working towards qualified teacher status, for example swimming instructor, sports coaches, an artist to teach art, a musician to teach music, an actor to teach drama etc.

The unqualified pay range for teachers in this school is:

UNQ1	£15,976
UNQ2	£17,834
UNQ3	£19,692
UNQ4	£21,550
UNQ5	£23,409
UNQ6	£25,267

18.2 The Committee will determine where a newly appointed unqualified teacher enters the agreed unqualified teachers scale and in accordance with the document.

18.3 Pay Determinations Effective from 1 September 2013

The Governing Body will follow the provisions of the STP&CD 2012 and award a point on the unqualified teacher scale (paragraph 35), unless the teacher has been notified that their service has been unsatisfactory for the previous academic year.

18.4 Pay Determinations Effective from 1 September 2014

In order to progress up the unqualified teacher range, unqualified teachers will need to show that they have made good progress towards their objectives. If the evidence shows that a teacher has sustained exceptional performance beyond the remit of their objectives, the Governing Body will award enhanced pay progression. Judgments will be properly rooted in evidence. As unqualified teachers move up the scale, this evidence should show:

- an improvement in teaching skills
- an increasing positive impact on pupil progress
- an increasing impact on wider outcomes for pupils
- improvements in specific elements of practice identified to the teacher
- an increasing contribution to the work of the school

- an increasing impact on the effectiveness of staff and colleagues

Information on sources of evidence is contained within the school's appraisal policy.

The committee will be advised by the Principal in making all such decisions. Pay progression on the unqualified teacher range will be clearly attributable to the performance of the individual teacher. The committee will be able to objectively justify its decisions.

19. Recruitment & Retention Incentives & Benefits
